Clarifications

- Mountain Boarding:* You may have seen us having a blast last year with these boards. They are a hybrid mountain bike/skateboard.
- Adventure Race:* This will call upon many of the scouts previous skills to complete a skills adventure course all across camp.
- Survival Practice:* Scouts will learn many useful wilderness survival methods beyond the badge and get to practice the skills gained.
- Boxcar Rocks:* A very popular event! It's a high hike across rocks, and involves some climbing and great exposure.

Meals: Food will be provided for lunch on the River Trip and on the Boxcar Rocks trip. Dinner will be provided for the horse overnighiter. If you have food allergies please contact camp prior to arrival to arrange for special menus.
